This matter is before the Public Service Commission of South Carolina (the Commission) on Southern Bell Telephone and Telegraph Company's (Southern Bell's) request for approval of revisions to its Access Service Tariff. Southern Bell asserts the purpose of its revisions is to change certain jurisdictional reporting provisions with regard to auditing, the maintenance of interexchange carrier records, and quarterly jurisdictional reporting of percentage interstate usage.

The Commission's Executive Director instructed Southern Bell to publish a prepared Notice of Filing in newspapers of general circulation in the affected areas one time. The purpose of the Notice of Filing was to inform interested parties of Southern Bell's Application and the manner and time in which to file the appropriate pleadings for participation in the proceeding. Southern

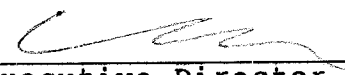

Bell complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. A Petition to Intervene was filed by Sprint Communications Company L.P. (Sprint). The Commission has since received a request from Sprint to withdraw its Petition to Intervene.

In light of Sprint's notice that it no longer wishes to participate in this docket, the Commission hereby finds and concludes that its request to withdraw its intervention should be and is hereby granted. In addition, the hearing in this proceeding should be cancelled. Further, after review of Southern Bell's proposed revisions to its Access Service Tariff, the Commission concludes that the revisions should be and are hereby approved. Finally, the docket in this matter should be closed.

IT IS SO ORDERED.
